Cartomancy: Fortune Telling Using Playing Cards

By Emily Daton

Did you know?

You can use simple playing cards for fortune telling. Similar to tarot cards!

Playing cards are easily accessible anywhere and can be used by anyone.

This guide can be used as a ready reference for cartomancy, i.e. fortune telling using playing cards. Not only does it provide meanings for various cards, but it provides all the crucial information needed to actually use the cards and obtain correct information easily.

For the beginner and the experienced alike

The guide provides dos and don'ts as well as tips on how to awaken the cards. Provides information on using meditation and spirituality to gain better results. And it also details a basic spread which can be used to answer questions about an individual.

A handy guide to refer to for information and tips.
